Our ethos values reflect the commitment we have
to creating a positive future for our learners.

We aspire to live our shared values, through our
words and actions, uniting our community.

Our aim is to secure the best for all.

Manners

'I am polite, considerate and respectful and I show it through my words and actions'.

We believe that our relationships are secured by mutual trust and respect. We are a strong community who value each other and show an appreciation for the effort others make on our behalf. We are united in wanting the very best for all but know we also have to show understanding and be prepared to put others first.

Opportunity

'I will make the most of every experience'.

We all strive to make the most of life's opportunities. Sometimes courage is needed to take an unknown step but effort and determination will ensure that we are ambitious and reach for our goals.

Success

'I will work hard to achieve the highest standards I can.'

We all need to succeed and feel good about ourselves. Fulfilment, enjoyment and pride come from working hard, learning from setbacks and meeting a challenge. We aspire to excellence and the achievement of high standards in all aspects of school life.

Appreciation

'I can appreciate strengths and ask questions about myself, others, beauty and beyond.'

We are all unique individuals, able to express ideas, search for meanings, ask questions and express our views and ideas in different ways. We look outwards and within ourselves for real meaning in our lives

Integrity

I am true to myself and hold to my values'.

We earn respect when we are consistent in our attitude and others know that they can trust us. We are true to our word, act with dignity and can be totally relied on.

Compassion

I am a compassionate, caring and kind person'.

Our greatest strength is in the love we show to one another, recognising that everyone is special and showing compassion, tolerance and empathy in our daily lives. The teachings of Jesus guide us in all that we do.

The teachings of Jesus guide us in all that we do.

The "Parable of the Prodigal Son" helps us to remember that God loves us just like the father in the story loved his son

Success

The "Parable of the Talents" shows us we must fully use the special gifts and abilities God gives each of us

Appreciation
