Thursday 5th September 2019

Dear Parents of Maple Class Children from September 2019

Sparsholt Primary Touch Typing Club

We would like Maple Class children to have a login and password to an online free touch typing app. The app is called Typing Club School Edition and is a carefully sequenced programme of touch typing practice.

Each week in the children's computing time they will loosen up their fingers for a 10 to 15 minutes practice online. They will also be learning about how to sit properly, adjust the monitor, brightness and why it is important to take breaks away from the computer.

To find out more about the touch typing app visit: <https://www.typingclub.com/>

Attached is a reply slip requesting parental permission to register your child. With your permission we will be sharing your child's first name and surname initial with the Touch Typing website. The children's personal information (first name and surname initial) and student activity on the app (progress and performance) is not made public.

You can withdraw your consent at any time by contacting the school's data protecting officer – Carol Sheppeck

Please return to the school office by Thursday 12th September 2019.

With best wishes

Miss Burbidge
