Dear Parents and Carers,

Yet again the children have amazed me with their enthusiasm and motivation for learning. It was such a joy to see the excitement on the faces of Willow and Beech children when they returned from yesterday's trip to the Gilbert White House and Gardens. They were so animated when telling me all about the wonderful activities they had done and the sights they had seen. For quite a few of the younger ones, going on the coach itself seemed to be one of the highlights as they enthusiastically told me it was 'their first time and it was amazing.' What was also wonderful was the Gilbert White staff not only commented on the children's excellent behaviour but also how amazed they were by the children's scientific knowledge.

I need to commend our Year 6s who have been focused on preparing for their SATs which take place next week. The maturity, pride and support for each other that they have been showing through this process is phenomenal and whilst they are all really keen to do their absolute best, they all know that what is most important is the courage, compassion and creativity that they show.

Our wonderful Worship Team presented the parable of 'The Rich Fool' in Worship this week. The whole school reflected on the message that it is so important to share what we have not only materially but also our time and compassion.

With all the clubs restarting this week, it was great to see so many children involved in sport, music and art. Our new breakfast club also started this week, which runs from 8.00am. We have limited spaces so if you would like further details, please do contact the office.

I hope you all have a wonderful weekend and are able to get out and enjoy the sunshine.

Kind regards,

Mrs Hanratty

COVID-19 Vaccinations

All children aged 5-11 will now be eligible for their first jabs as the COVID-19 programme rolls the vaccine out across Hampshire and the Isle of Wight.

The vaccine is a specially developed paediatric version for children. Parents are able to access the vaccine through vaccination centres, local pharmacies and GPs.

There has been an overwhelming response from parents who would like to vaccinate their children and teams across Hampshire and Isle of Wight are working hard to provide additional capacity.

Parents are able to find their nearest vaccination site via the NHS website, by calling 119 or by calling the Hampshire and Isle of Wight COVID-19 helpline on 0300 561 0018 which can help find and book slots or direct you to your nearest walk-in.

New sites and vaccination slots are uploaded all the time so please check regular

FoSS Update

Thank you to those who attended the FoSS meeting with Mrs Hanratty on Wednesday. It was a great way to share ideas for upcoming events and hear the projects the school have in the pipeline. More will be coming out about this in the near future.

The FOSS events in the summer term tend to support the school events, where we will be serving refreshments at the School Sports Day and at the Whole School Summer Production.

Before that we will be doing something for Father's Day and of course there will be cake sales and, as the weather gets warmer, ice creams for sale after school.

If anyone has any ideas of money raising events please do share them Bonnie, Caroline or Katie, e-mail FoSS at friendsofparsholtschool@gmail.com.

Thank you and have a lovely weekend!
