Dear Parents,

Another week seems to have flown by, as we have all been enjoying our exciting and creative learning opportunities! Geography has taken centre stage in every class this week, as each class has explored the world in different ways. Willow Class have been transported to Africa through reading the story of Handa's Surprise. There was great excitement as the children tasted a selection of fruits featured in the story; mango, pineapple, passion fruit, papaya, oranges and bananas were all highly rated in the taste test! Beech Class have been using their Geography skills closer to home by looking at human and physical features of Sparsholt and Winchester. They have really enjoyed recognising places they know on maps and plans. Maple have loved their expedition to The Ivory Coast, with a mission of researching chocolate production. Rowan have been inspired by their Class Reader, Cloudforest, and have trekked through the rainforest, taking in all the sights and sounds of their journey through Equador. Finally, Oak class have ventured as far as Guyana, in South America, using a whole host of map and atlas skills to locate places using latitude and longitude.

It was fantastic to see the incredible array of books that the children brought into Beech Class this week, as the children celebrated books which were special to them. It was wonderful to see the enthusiasm and joy as they shared the texts with their teachers and classmates.

Our theme for collective worship this week has been 'Mutual Respect'. We thought about how a handshake is a mark of mutual respect and discussed the word 'mutual', as meaning 'shared between people'. We discussed that if we respect others, and treat them well, we respect ourselves and show how we want to be treated in return.

As we move to the final week of this half term, I hope that the sun shines as we look forward to our platinum Jubilee celebrations next Friday.

I hope you have an enjoyable weekend.

Kind regards,

Mrs Hanratty

Only 2 spaces left on this sponsored walk - so if you fancy a personal challenge, whilst raising funds for our children, please come and join us for what will be a fun weekend. We will be walking approximately 10 miles up a mountain, staying overnight in a youth hostel and then braving a wild swim or alternative challenge the next day. For more information contact Bonnie or email FoSS.

### HELP NEEDED!

As FoSS is a registered charity, every year we have to submit our accounts to the charity commission. Our treasurer, Katie, has all of this in hand but one thing we need is an external auditor. The auditor can be anyone deemed capable of looking at the accounts and having enough skills to understand them. It does not need to be an accountant. It cannot be anyone on the board of Trustees but can be someone known to the charity. So we need a parent or grandparent that can spend 30 mins looking at the accounts. They will be required to review the records kept by the charity and compare the accounts with those records. PLEASE PLEASE let us know if this is something you can do. Thank you
