26.6.2020

Dear Parents and Carers,

Hopefully you are all enjoying this very hot weather and ice creams are the order of the day. If you look back at the 'Amazing Humans' home learning, it even tells you how to make it at home!

This week's theme is 'To infinity and Beyond' and we very much hope you enjoy the amazing activities that have been planned from dressing up as spacemen, to creating your very own alien.

We are currently awaiting advice from the Government about how they envisage our return in September looking and will of course keep you informed as soon as we know more. We are still hoping that there may be an opportunity for pupils in Years 2,3 ,4 and 5 to have at least one day with us before the end of term and are currently looking into options of how we can make this happen safely. Obviously we have to ensure we follow all guidance, meaning it may not be feasible, but we are hopeful.

Just to let you know, there is updated gov.uk guidance on [Keeping your children safe online](#) so please make sure you follow the link and take a look.

Again, we want to thank all of you for the amazing support you have shown us as a school and we will continue to try and support those of you with children at home as well as our children in school.

Have a great weekend.

Kind regards,

Mrs Hanratty  
Headteacher

Mrs Gwilliam  
Deputy Headteacher
