

Dig deep and complete your jigsaw with courage,
compassion and creativity.

Learn to play a
new game.
Perhaps ask one
of your family
members to
teach you a game
they used to
play?

Can you make a
new toy out of
recycled
materials?

Find out about a
family member's
favourite toy from
their childhood.

Make up a new game
of your own and
teach someone how
to play it.

Ext: Can you write a
set of instructions
for your game?

Be brave and try
a new activity.

Go to the park
and draw a map
of the route you
took.

Draw or paint a
picture of your
favourite toy.

Have a sort
through your old
toys that you no
longer play with.
Donate them to
charity so that
another child can
have fun with
them.

Write a diary of a
fun day out that you
have had with your
family. You could
add some photo-
graphs or some
drawings of your
own.

Choose a piece of the puzzle as your home learning and record what you have completed by uploading pictures onto the VLE.

When you have finished one of the activities, colour in that piece of the jigsaw to show you have done it. It is up to you how many you do and which one you do first.

Parents: There will be opportunities for the children to share what they have done during the half term using the pictures and text uploaded onto the VLE. If you have any questions please contact your child's class teacher.
