

Be Bright Be Seen

Christmas Competition

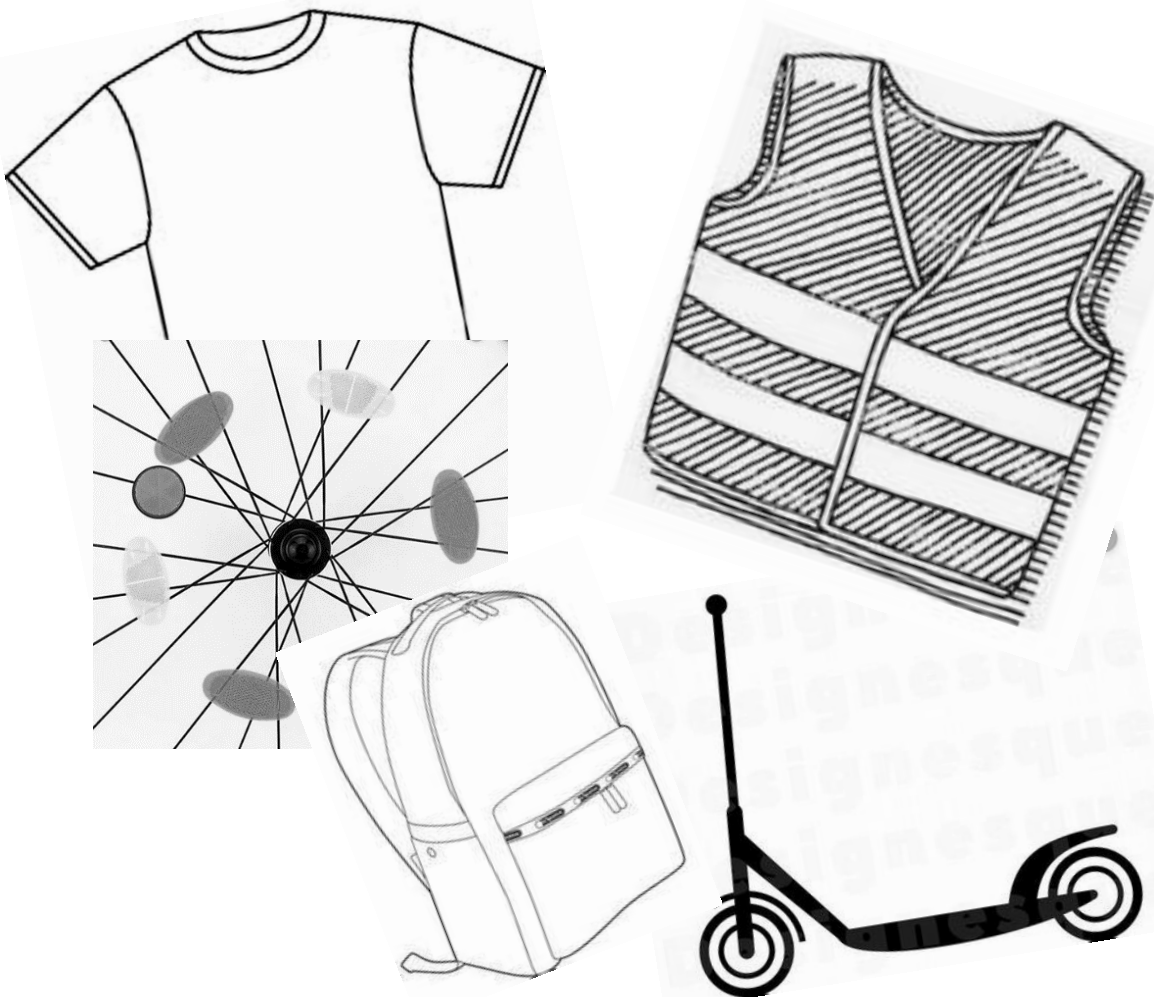

Have you ever seen people walking/jogging/cycling with special clothing or equipment that enable them to be seen in the dark or when it's raining really hard?

Over the Christmas and New Year holiday we would like Sparsholt pupils to come up with a design for a school bookbag or p.e. bag, backpack, hi-viz clothing, scooter or bicycle reflector that would be easy to see at night or when the weather is bad (torrential rain/fog/snow).

Or if you are stuck for ideas, colour and/or stick with reflective material the black and white pictures attached, showing day and night-time scenes.

Make use of all that bright, reflective paper that might be lying around after the festive season!

Please send in A4 designs (labelled with pupil's name please) latest **Friday 10th January** for our panel of experts to judge!

Colour the clothes of these children in bright colours so they can be seen easily during the **day**.

Name:

Add reflective strips to help them be visible at **night**
