

Super me

Autumn 2018

Year R and 1

Hook – Receive a secret video message from Mr Incredible.

Can we help him save the day?

As Artists and design technologists we can...

- Design and make your own super hero cape
- Draw your own super hero
- Make superhero masks
- Draw superhero self-portrait
- Paint superhero hand prints
- Create your own super vegetable

As Writers we can....

- Write about what makes us super
- Re-tell and re-write the story of Supertato
- Create a profile for your own super hero – what does it look like? What are the super powers?
- Make recycling posters to put around the school
- Create a fact page about recycling – why is it important to recycle?

As scientists...

- Read the book 'Michael Recycle' and learn about why we recycle
- Identify and name a variety of everyday materials, including wood, plastic, glass, metal talk about which can be recycled
- Compare and group together a variety of everyday materials which can be recycled or not

Compassion

I can Listen actively to members of the group and value everyone's contribution

Courage

I can set challenging goals and have an ambition to achieve these

Creativity

I am inspired to ask the 'big questions' and show curiosity in all I do and learn

Discrete/connected subjects

Maths

Place value

PSHE

What makes us special?

PE

R.E.

Special people and places

Home learning

Write about who your hero is and why.

Outcome

Children to come in dressed in Superhero costumes and complete a range of 'super' challenges!
