15th May 2020

Dear Parents & Carers,

After the Prime Minister's announcement last Sunday, it appears that there may be a little light at the end of the tunnel. At least now there is some opportunities to get out more, enjoy some sporting activities as a family and even sit and have a picnic or two and hopefully feel a little bit of normality returning.

This week's theme is 'Animal Magic' and we hope this captures the children's imagination as much as the other projects have already. We have seen some amazing examples of mouth-watering culinary creations from last week's 'Food Glorious Food' theme so Junior Masterchef and Bake Off here we come!

We know that many parents are awaiting further information about a possible phased return to school during the second half of the Summer term. As yet, we are still awaiting more detailed national guidance as to how this return can happen to ensure the safety of the children and staff. Rest assured, we will keep you regularly updated as our plans for this develop.

We hope that you are all ok and again please remember we are here to support you in any way that we can so please do not hesitate to ring or email us.

Best wishes

Kind regards,

Mrs Hanratty
Headteacher

Mrs Gwilliam
Deputy Headteacher
