

# Maple Class

## Home Learning Jigsaw

### Summer 2021

## Chomping Chocolate: from Pod to Pocket

Write a recipe for a balanced meal (ask an adult to help you make it as a bonus)

Research and map the different biomes within the Ivory Coast.

Research the first people to make chocolate. Create an informational presentation or poster.

Make a plant quiz for your family and friends.

Draw a design for your own chocolate factory. Can you make a model of it too?

Using a World map, plot all of the locations where the cacao tree grows.

### Plant Challenge

Ask your parents to help you grow your own plant from seeds. Can you grow something to eat?

Look through your cupboards and fridge to find items with a Fairtrade sticker. Write down a list of these items.

Find out information about the author Roald Dahl. Create a fact sheet about him.

Choose a piece of the puzzle as your home learning and record what you have completed by uploading pictures or files onto the VLE.
