Welcome back to the Summer Term! Everyone has come back to school refreshed and eager to quickly get back to our routine of exceptional learning. We reminded the children of our two simple 'Sparsholt Golden Rules' - "Be Kind and Respectful, Be Safe and Sensible.' These rules were created by the children last term, and posters are displayed in the classrooms and around the school.

We aim to nurture our children to be independent, responsible and resilient, young citizens, we also want them to extend friendship, respect and kindness to all who they meet. We hope that these golden rules help to guide them not only at school but at home too.

Hampshire Fire and Rescue Service Visit

On Thursday the Hampshire Fire and Rescue Service visited us. Years 1/2 dressed up as firefighters and were taught what to do if a fire alarm went off at home and the importance of knowing your address if you have to ring 999 in case of an emergency.

Year 5/6 were shown the risk factors in the home and what the main causes of household fires were, and of course how to prevent them. The triangle of fire was explained to them, and they were given the task of risk assessing their own home, and planning escape routes!

Beech Cl trip to Hillier Gardens

The sun shone on our younger children today when they visited Sir Harold Hillier Gardens. The children had an active day in the great outdoors taking part in a range of enquiries and fun creative activities. Hillier Garden's staff were impressed with the children's knowledge and their huge enthusiasm for outdoor learning. They returned to school with wonderful tales of pond-dipping!

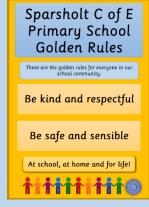

Special mention to...

Well-done to David from Willow class who created an outstanding Easter Holiday Diary. I was very impressed with his writing, illustrations and photographs. David has earned 5 house points for his House Team -Star!

Skipping Workshop and Cross Country Competition

Please send children in with their full PE kits for a week of fun, physical activity with the skipping workshop on Wednesday and the year group cross country competition on Friday.

From 3.30pm on Wednesday, parents are invited to take part in a parent and child skipping workshop! At the same time skipping ropes for adults and children are available to purchase. See more information in the letter which came home in book bags today (and on website)

Smart Summer Uniform Reminder

Thank you for your continued support with ensuring that your child is wearing the correct school uniform at all times of the school day. Our wonderful children have been modelling our summer uniform collection this week: grey shorts or skirts, Pale blue polo shirt with logo, school jumper or cardigan with logo and a pale blue checked summer dress, and on hot days we have a Sparsholt school cap. All our logoed items are available from the school.

Our Worship this week- Compassion

Jamie, Eddie and Blake led a thoughtful worship for the whole school this week on our Christian value of Compassion. They reminded us of how important it is to show empathy, kindness and care to our friends. The year 4 boys sent us away to think about how the Sparsholt Community can extend our compassion to the wider community and world. Our pupil Governors will be discussing how we, as a school community, can deliver this vision in their meeting next week.

Maisie and Layla were inspired to produce a poster reminding us of how to show compassion (attached to newsletter)

which beautifully reflects one of our favourite school prayers.

Lord of the loving heart, May mine be loving too. Lord of the gentle hands, May mine be gentle too. Lord of the willing feet, May mine be willing too. So may I grow more like you in all I say and do.

Amen

Best wishes,

Jane Gwilliam

Messy Resurrected

We think about Jesus' resurrection at Easter, but did you know that Jesus appeared to his disciples (and others) many times over the next 40 days? Join us as we learn about some of these appearances - 4-6pm, Saturday 11th May in St Mary's Church, Crawley.

Compassion means being aware of others needs and acting to help them

What do compassionate people do?

- They think about others not just their own needs and interests
- ♣ They detect others suffering and strives to understand and relieve it
- They do not do to others what they would not want others to do to them
- They treat others well without excepting a reward
- They're kind and helpful to people with whom they interact
- They can direct their attention to others
- They do not just focus on themselves
- They recognise their ability to help others

You can start by making small gestures that benefit the people closest to you for example: friends, neighbours, classmates

Later this reflection can be extended to people who are further away

By Maisie and Layla Y6 Oak class This is what compassionate people are!
