Rainbows of Hope Challenge

Dear Friends,

We are writing to you because of the situation we all find ourselves in because of Covid 19. As you know the school is closed until further notice and we have been provided with home learning - but being at home gives us all a unique opportunity to do more **creative** activities!

We thought it would be a **great idea** to draw, paint or colour a **RAINBOW**. Many children across the UK are drawing and painting **rainbows** to symbolise **HOPE**.

Won't it be great when you walk around your village to see bright, beautiful and brilliant rainbows on the windows of our houses? We hope everyone will join in with the **RAINBOWS** of **HOPE** challenge

Please take photos of you and your rainbow and email them to adminoffice@sparsholt.hants.sch.uk so that we can publish them on the school website and a special newsletter.

With Love from Madsy and Martha
