### Sports Premium - Academic Year 2018/1019

Allocation for the academic year 2018/2019 is calculated using the number of pupils in Years 1 to 6 and those age 5 in Reception, as recorded at the January 2018 Census.

At Sparsholt, we have received **£17170** for the academic year and this money has been used to improve provision for all our pupils in the following ways;

- Hiring specialist sports coaches to both broaden the children's sporting experiences and allow our teachers to develop their own expertise.
- Paying for professional development opportunities for staff in PE and sport.
- Introducing new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- Paying for transport and release time for a member of staff to attend school competitive events.
- Encouraging pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- Purchasing equipment required to teach new sports.
- Funding the update of both playground and playing field.
- Raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2
