

# Willow Class Summer 2022 Who lives here?

Draw a picture of  
Florence  
Nightingale's  
owl, Athena

Create a model  
of an African  
animal

Design a medal  
to give to a nurse  
or doctor to say  
thank you

Create a poster  
about animals  
that live in  
Uganda

Invent a new animal  
print. Think about  
colours and the  
pattern

Visit the library  
and find out  
more about  
Uganda – create  
a mini fact book

Follow a recipe to  
make a simple  
banana cake (in  
Uganda, matoke, a  
cooking banana, is  
used all the time  
in cooking)

Take a trip to the  
supermarket and find  
some exotic fruits to  
try (many of these are  
grown in Africa)

Make a junk  
model lamp, like  
the one Florence  
Nightingale  
owned

Dig deep and complete your jigsaw with courage,  
compassion and creativity.
