5.6.2020

Dear Parents and Carers,

Thank you for all your support through this first week of our phased reopening including those of you still undertaking learning at home with your children.

Those children who have returned to school have been absolutely delightful and have adapted really quickly to the changed environment and expectations. Many parents have commented on how happy their children are to be back and how, despite things looking a little different, school still feels like school.

For those of you with children still at home, we hope you enjoy next week's home learning theme: 'Amazing Humans'. I think it is fair to say that the whole school community must be pretty amazing to have dealt with the challenges of the last few months and still be able to smile and be there for each other. The children in particular have shown true resilience through all of this and those who have returned to school have come back with more independence and determination.

Hopefully, if things continue as they are, we may see even more children back in school before the end of the year and we can all be together again as a community even if we have to do it whilst socially distancing.

Finally, can I just remind parents of children in Year R, Year 1 or Year 6 who have not returned to school yet, that you do need to let us know either by phone or email whether your children will be attending next week.

Have a lovely weekend

Mrs Hanratty
Headteacher

Mrs Gwilliam
Deputy Headteacher

IMPORTANT: Please remember that school will be closed on the 26th June for INSET
